

United States Census 2020

The census dictates how essential resources are provided to communities. Census data is used every day to solve problems around you. Taking the census is your once-in-a-decade chance to help your community benefit from new roads, schools, create jobs, provide housing, prepare for emergencies, fund Head Start, SNAP, and CHIP. Please do your part today and take the census at my2020census.gov or call 1-844-330-2020.

You can also help by applying to work at the census. Census workers in Barry County make \$17.00 an hour, have flexible hours, and work in their own neighborhoods. You can apply to work for the census at 2020census.gov/jobs or you can call a Hastings Township local recruiter at 1-618-525-0923.
